

Greenspace Volunteer Signup Anderson Township owns parcels of land called Greenspace which are natural areas that will never be developed. These properties occasionally require maintenance for various reasons. You can help by volunteering. Please provide the following information: (Individual's Name, Organization Name (if applies), Address, City, State, Zip Code, Telephone Number, Email Address, Number of Volunteers, and the Age Group) and email to tchadwell@andersontownshipoh.gov or 513-688-8617.

Todd Chadwell is the Greenspace Inspector and he will contact you or your Organization when there is a project. Thank you for volunteering to preserve the natural beauty of Anderson Township.

NOTE: All projects must be conducted under township supervision. Application does not provide the right to conduct a project independently.
