

Accelerate Anderson

The Anderson Area Chamber of Commerce Foundation is excited to kick off the inaugural year of **Accelerate Anderson**, and is currently accepting applications for this fall's program. The mission is to encourage, educate and stimulate individuals to become more familiar with, more interested in and engage in all facets of civic endeavor that affect the quality of life in the Anderson area.

Morning Mixers & After Hours

Grab your business cards and expand your network!

Morning Mixer Events combine members from ours and nearby regional chambers to connect with fellow business owners and entrepreneurs; meet potential new clients; immediately expand your business network; raise your business profile and generate referrals from fellow Chamber members.

Business After Hours is a relationship-building experience held in a relaxed setting that benefits you and your company through added contacts and resources. It provides an evening of fun, food and fellowship between Chamber members and their guests and a chance to network and meet potential customers. Hosting a Business After Hours presents a unique opportunity to showcase your business.

We love to celebrate with our Chamber Members!

Let the Chamber help you celebrate and share your story. Whether you're hosting a special event, holding a groundbreaking ceremony, celebrating a grand opening or expansion, the Chamber has options to help you get your message out to the business community.

The Chamber can help put money back into your pocket!

As an Anderson Area Chamber member, you have exclusive access to several cost saving benefits.

- Discounts on Anthem Health Care Programs
- Discounts on Workers' Comp
- Lower Credit Card Processing Fees
