

ANDERSON TOWNSHIP DEVELOPMENT & PLANNING UPDATE

September 2026

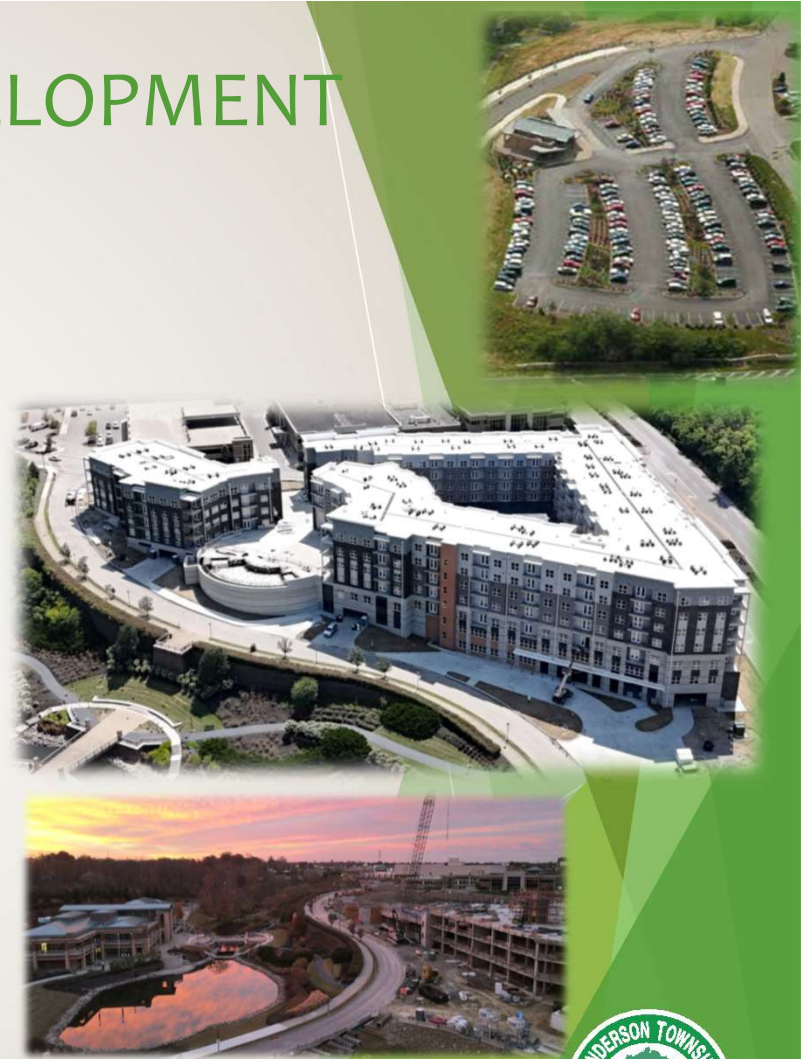

OVERVIEW

- ▶ Recent/ Current Township Planning Efforts
- ▶ Township Structure & Funding
- ▶ Private Development Activity in the Community
- ▶ Anderson Township Capital Improvement Projects
- ▶ Township Property
- ▶ Questions & Comments

ANDERSON CENTER STATION REDEVELOPMENT

- ▶ Anderson Center Station Park & Ride constructed in 2005 and 2006 as permanent home for METRO riders
- ▶ Groundswell of demand for development opportunities in the center of the community – received interest from 4 developers for a public / private development
- ▶ Facilitate development of “Downtown Anderson”, to add living to shopping, dining, work, and entertainment
- ▶ Hills Properties acquired site in late 2021 and built a 224-unit upscale apartment community, which contains public parking / park and ride that opened in December 2025, and now has over 90% occupancy
- ▶ Traffic signal at Five Mile Road & Towne Center Way intersection became operational in May 2025

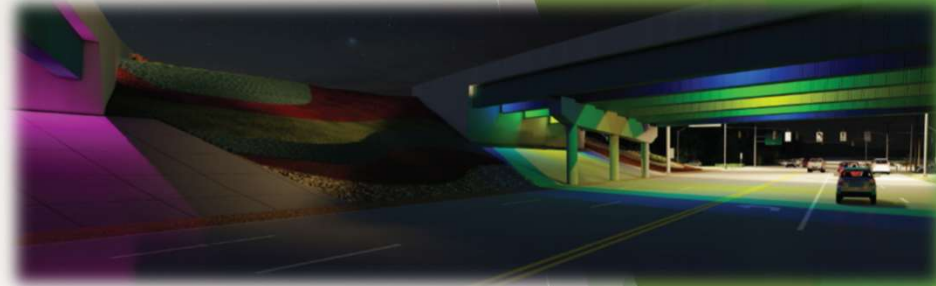

CLOUGH PIKE CORRIDOR STUDY

- ▶ The Study, adopted in January 2021, focused on:
 - ▶ Traffic signal operations, travel patterns & turning movements, and potential opportunities for intersection improvements and nonmotorized transportation
- ▶ Initial implementation included signal system upgrade and coordination, backplates on traffic signals, surface pavement changes on crash-prone curves, sidewalks near Muskegon, and pavement marking upgrades in 2022
- ▶ Grants secured to fund high priority projects at intersections:
 - ▶ Pedestrian Hybrid Beacon (HAWK, pedestrian-activated) signal installed at Endovalley and Juilf's Park completed fall 2025
 - ▶ Construction ongoing on sidewalk along Clough Pike from Harmony to Copperleaf, with left turn lanes at Clough and Newtown
 - ▶ Engineering work starting for right turn lanes on Eight Mile to Clough Pike for construction in 2028

PUBLIC ART MASTER PLAN & APPENDIX

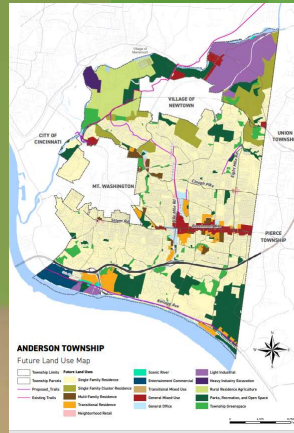

- ▶ Initiated by the WeTHRIVE! Anderson Committee
- ▶ Comprehensive look at the existing art in the Township, potential public locations, as well as funding opportunities
- ▶ Plan was adopted by the Township in late 2023
- ▶ Plan serves as a guide for staff when requests for murals/public art are introduced, and staff/committee is now pursuing implementation options, key locations on the Trails network (2 of 5 Key Areas)
- ▶ Art piece that was previously selected for Kellogg Ave interchange project has been installed at the Towne Center in front of the AMC theater (photo on right, Artist: NK Design)

2026 COMPREHENSIVE PLAN UPDATE

- ▶ Nearing the end of the public engagement process, hoping to start the adoption process in November/December, with the assistance of McKenna from Columbus, Ohio
- ▶ Plan first prepared in 2005 and updated every 5 years
- ▶ 4 Popup Events- Senior Center, Forest Hills 5k, Oktoberfest, and Open Doors Event

- ▶ Online public input survey through the summer
- ▶ 2 Open Houses- June 16 & October 14
- ▶ 6 Steering Team Meetings

Anderson Township Update

EV CHARGING STATIONS

- ▶ Aspect of Plan related to energy efficiency and sustainability, including publicly accessible electric vehicle charging opportunities in the Township
- ▶ Carbon reduction funds and Ohio Toll Credits provided grant funds for public entities to introduce EV charging stations
- ▶ Township applied for, and received \$1.21 Million in funding for 4 locations, owned by Anderson Township, which should be operational this fall:
 - ▶ Anderson RecPlex (Beechmont Avenue)
 - ▶ Five Mile Trailhead (Newtown Road)
 - ▶ Anderson Center (Five Mile Road)
 - ▶ Bauer Preserve (Nagel Road & Clough Pike)

Anderson Township Update

I-275 & FIVE MILE

- ▶ Additional economic development in the Township's core (daytime population) has resulted in additional traffic at I-275 & Five Mile interchange, especially during am and pm commutes
- ▶ With Kellogg improvements completed, focus shifting to future of I-275 & Five Mile interchange
- ▶ Various traffic improvements studied to relieve current and projected congestion, and desire to make improvements ahead of future resurfacing of Five Mile Road
- ▶ Construction is planned to occur in 2027, ahead of potential future paving of Five Mile Road

OLD FORT RIVERFRONT PLANNING

- ▶ “Old Fort” Area of Anderson Township located on the Little Miami River, northwest of Newtown, was a seasonal “country club”, that ultimately was home to year around residents and seasonal flooding
- ▶ Anderson Township, working with FEMA and other partners, began acquiring properties and removing structures in the 1990s
- ▶ Anderson now focusing on creating passive open space area on its property on the river
- ▶ Concept plan being developed for input this spring and possible opening the areas to the public in early 2027, including nature trail, overlook, fishing access, etc.

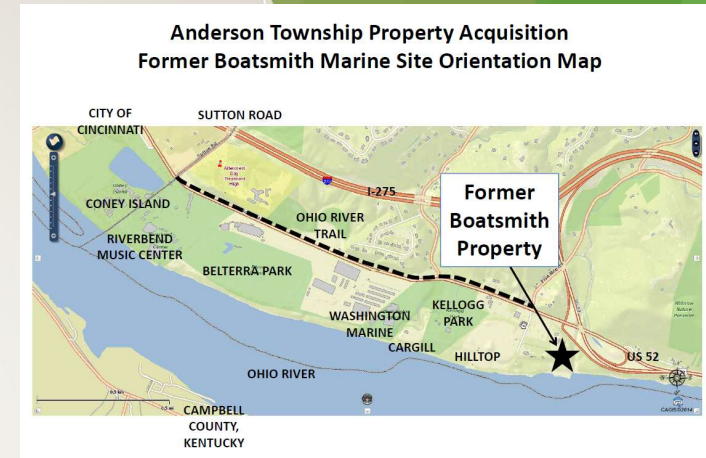

Anderson Township Update

“BOATSMITH” SITE PLANNING

- ▶ Anderson Township acquired 7-acre site in 2014, after selling nearby property to Cargill for expansion
- ▶ Site afforded better opportunity for river access, views, etc. due to prior use
- ▶ Property used as public works storage and construction staging area due to sale of other properties
- ▶ Engaged the Kleingers Group, who are currently developing options for 2-3 acre “lower” riverfront area, with potential private development up “top” closer to Kellogg Road
- ▶ Concepts to be available for review/comment late this year, to arrive at final master plan
- ▶ Desire to initiate engineering in 2027 to begin opening site for public access in 2028

Anderson Township Update

ANDERSON TOWNSHIP OPERATIONS CENTER

- ▶ The focus of daily Township operations – significant activity on 6.5 acre site: Station #6, HCSO District 5 Office, Public Works garage/storage/salt, Anderson Township Senior Center, Anderson Recycling Center
- ▶ Planning began in 2023 for new Public Works / maintenance facility, as well as remodeling / expansion of the Sheriff's Office and Station #6
- ▶ In 2026, construction is planned to commence on new Public Works & maintenance facility – current building built in late 1940s
- ▶ Improvements to be financed by the Township's 1994 TIF Fund --- no new taxes
