November 2023

Dear Friend of the Anderson Township Senior Center,

Every day we are preventing loneliness one smile at a time! Our Senior Center is such an asset to the Anderson Community, and we are thankful that you are a member!

As you know, our mission is “Active, Healthy Aging.” We incorporate that philosophy into everything we do. Our goal has been to provide something for everyone, and we hope you’ve had many opportunities to experience programs and events offered at the Senior Center. As the year comes to an end, let’s look back on all that has happened in 2023:

*In 2023, we were active! The number of activities at the Senior Center increased significantly. We’ve continued popular physical exercise programs including Silver Sneakers, pickleball and line dancing, and have added Fun and Fitness. With member input, a garden club, a photography club and even Fantasy Football were included in the schedule.

*In 2023, we were social! Trips to the Cincinnati Art Museum, to La Comedia Theater in Centerville, to a Cincinnati Reds game, and to the Cincinnati Pops concerts were all popular. We sang, played cards, and discussed books. We sat with friends and enjoyed delicious and nutritious lunches.

*In 2023, we had fun! We cuddled baby goats, tasted hummus, pizzelles, and homemade honey, wore crazy hats at our Derby Party, danced to music at monthly birthday celebrations, and played ping-pong. We look forward to adding even more in 2024!

These events, certainly “something for everyone”, were made possible with the support of Anderson Township and our wonderful financial donors.

Please see the reverse side of this page for more important information.

With holiday gift-giving around the corner, we ask that you, your family, and friends consider making a tax-deductible donation to the Anderson Township Senior Center. Each donation will help to continue quality programs and experiences that you will enjoy and benefit from. 100% of your gift goes directly to support activities at the Senior Center. With your help, we can continue our goal of *Active, Healthy Aging!*

Besides a yearly donation, there are other ways you will make a difference at the Senior Center. When estate planning, please consider a donation in your name to support and continue the high-quality programming we offer. When our members and their families include the Senior Center in their will or estate, their donation makes a tremendous impact. Your gift will be a gift to others. If you want more information about estate planning, please talk to a Senior Center staff member. An estate gift is another great way to ensure the Senior Center continues to flourish for all those who will participate in the future.

One such donation came from Eileen Ayer, a 50-year resident of Anderson Township. Her generous gift is being used to benefit Senior Center members. Ayer supported many organizations over the years and remembered the Senior Center in her trust. This revenue is making possible new events, including historical and music programs, the Brain Health series, author visits and local legends programs. Technology upgrades were also made with Mrs. Ayer's gift. A new sound system, microphones, projectors, and cameras enhance the experience of members at the Senior Center and with those at home over Zoom transmissions. This special gift from the estate of Mrs. Ayer has truly made a positive impact and is greatly appreciated.

If you or others wish to donate, please make checks payable to the Greater Anderson Township Betterment Commission/Senior Center. These tax-deductible gifts may be brought to the Senior Center or mailed in the enclosed envelope.
