December 2024

Dear Friends of the Anderson Township Senior Center,

Our Senior Center is an asset to the Anderson community. We want to thank you for your membership. Together, we are preventing loneliness one smile at a time!

2024 was a year of growth for the Anderson Senior Center.

Many new activities were funded by a grant received from Hamilton County Public Health. You may have learned to play the ukulele or tone chimes, you may have sung with the new choir or completed a watercolor painting. Perhaps you participated in a special activity or program, including free movement classes and educational speakers. You may have been a part of our book study or attended the Senior Health and Wellness Expo in September. We certainly offered something for everyone! If you haven't been to the Center lately, we hope to see you soon!

We continue to strive for Active, Healthy Aging, and in 2024 our membership and range of activities offered increased. We are committed to offering a wide range of social, fitness and educational programs. With holiday gift giving around the corner, we ask that you, your family and your friends consider making a tax-deductible donation to the Anderson Township Senior Center.

ATSC means a hot meal, exercise, lectures, music computer help and so much more. - Loring

The Center has been a lifesaver for me. I really don't know what I would do without it. So many things to do and friends to hang out with. – Joan

I think it is the most wonderful place to come and be with friends. – Jackie

New friends, great conversations, choir, lots of fun activities, live music and birthday parties. – Susan

I equate the ATSC to "Cheers" – without the alcohol. Everybody knows....It is the bright spot of my day. I have a destination to enjoy and meet people. - Paul

Membership dues continue to remain the same, but costs increase, so each contribution will help to continue quality programs and experiences at the Senior Center.

Besides a yearly donation, there are other ways you can make a difference at the Senior Center. When estate planning, please consider a legacy gift in your name to support and continue the programming we provide. When our members and their families include the Senior Center in their will or estate, their donation makes a tremendous impact.

Many activities continue to be funded by a gift from the estate of Eileen Ayer. This has supported a variety of programs as well, including Diane Shields, the Reds Legends, and professional musicians. We value the support from this gift and the opportunities it provides in support of the senior center.

If you or others wish to donate, please make checks payable to the Greater Anderson Township Betterment Commission/Senior Center. These tax-deductible gifts may be brought to the Senior Center or mailed in the enclosed envelope. You may also contribute online with a credit card using PayPal on our website:

We thank you for your membership and your support. You are helping us to provide exceptional programs, to increase the health and happiness of our deserving members.

Sincerely,

The Anderson Township Senior Center Advisory Committee
