Parking can be found at the following locations (highlighted in yellow on the map):

- Senior Center parking lot (7970 Beechmont Ave.).
- Back of the Forestville Baptist Church (1311 Nagel Rd.) – there is a walking path connecting the church parking lot and the side entrance of the senior center.
- If these two areas are full, please consider parking in the lot around Pinnacle Plaza (old Fresh Thyme area). As this is farther from the senior center, a shuttle will be provided to transfer from the parking lot to the senior center.
