A PUBLICATION OF THE ANDERSON TOWNSHIP SENIOR CENTER

Anderson Township Senior Center is back in operation and we hope to see you soon!

Township Senior Center Adjusts, Stays Flexible During COVID Recovery Phase

Greetings to all our members and friends! We are thrilled to be sending you an update about the latest happenings and news at the Anderson Township Senior Center.

As Donna Summer sang, “We will survive” and that we did! The garden grew, we enjoyed the vegetables, we offered Zoom sessions and reopened our doors in November.

As we reopened, ZERO cases of COVID were linked to the senior center. Our team worked diligently and creatively to manage all operations and to engage members in meaningful activities as much as possible.

During this COVID recovery phase, the staff encourages your return to the center.

While there have been so many changes this past year, our commitment to serve the members of our community has gotten stronger. THIS HAS NOT CHANGED.

Hybrid programs will continue with Zoom experiences and in-person events and classes.

We have issued membership cards and membership is required to enter.

Don't forget as you return, lunch is served daily 11:30 a.m. to 12:30 p.m. Reservations are required by 10 a.m. the day prior. Call 474-3100 to make a reservation.

We look forward to seeing you soon!
